UP è una collezione di lampade che combinano il metallo nella finitura bronzo-nichel spazzolato con la seta intrecciata color arancione scuro che riveste le colonne. L'interno della testa troncoconica girevole è rivestito con una pellicola crema per dare un tocco di stile. Un interruttore rotante lo rende particolarmente versatile.

UP is a collection of lamps that combine metal in brushed bronze-nickel finish with the woven silk in dark orange colour that covers the columns. The inside of the truncated cone-shaped swivel head is coated with a cream film to give a touch of style. A rotary switch makes it particularly versatile.
