COCONETTE

Lampade da parete semplici ma sofisticate, proprio come il nome che portano. Coco combina una struttura in nickel lucido con uno specchio smussato, mentre Coconette si distingue per la finitura bronzo spazzolato chiaro opaco. Entrambi diffondono la luce attraverso un paralume in tessuto su tre lati, nei propri colori e versioni. I paralumi sono disponibili in tessuto Calacatta effetto marmo o in cotone bianco. La versione Coco AP Mini IP44, invece, dispone di un paralume in tessuto impermeabile e di una sorgente luminosa protetta, per consentirne l'utilizzo nei bagni.

Simple but sophisticated wall lamps, just like the name they bear. Coco combines a polished nickel structure with a bevelled mirror, while Coconette is distinguished by its matt light-brushed bronze finish. Both diffuse the light through a three-sided fabric lampshade, in their own colours and versions. The lampshades are available in Calacatta marble-effect fabric or in white cotton. The Coco AP Mini IP44 version, on the other hand, has a waterproof fabric shade and a protected light source, to enable use in bathrooms.
