

Stardust

Marcello Colli & Maurizio Di Mauro

SO SMALL

SO LARGE

Ispirato ai grandi lampadari classici, ma con un look più essenziale dato dall'uso del solo metallo senza alcun elemento decorativo aggiuntivo. Stardust prevede una duplice illuminazione, fornita dai micro LED posizionati alle estremità superiori dei singoli bracci e dalla lampadina inserita nel cilindro in vetro che rappresenta la sorgente principale che illumina verso il basso. Sono previste due altezze standard per lo stelo di sospensione oppure "su misura".

This is inspired by large classic chandeliers, yet gains a more minimalist look by using metal without additional decorative elements. Stardust provides a double illumination, provided by the micro LEDs positioned on the tips of the individual arms, and by the bulb within the glass cylinder, as the main light source that illuminates downwards. Available in two standard suspension heights, or "custom".
