

UP

Massimiliano Raggi

UP è una collezione di lampade caratterizzata dall'abbinamento del metallo nelle finiture bronzo satinato e cromo con la seta intrecciata con cui sono rivestiti gli steli (negli abbinamenti disponibili). L'interno della testa orientabile a forma di tronco di cono è rivestito con una pellicola dorata per dare un tocco di stile, per scaldare il fascio di luce emesso dalla lampadina Led. Particolarmente versatile data la possibilità di angolazione dello snodo e dal fatto che l'interruttore rotativo è a bordo.

UP is a collection of lamps characterised by the combination of metal in satin bronze and chrome finishes with the braided silk which the stems are coated with (in the available combinations). The inside of the truncated cone-shaped swivel head is coated with a golden film to give a touch of style, to warm the light beam emitted by the LED bulb. Particularly versatile with a rotary switch on board.
