

# STARDUST

Marcello Colli & Maurizio Di Mauro

SO SMALL

SO LARGE

Ispirato ai grandi lampadari classici, ma con un look più essenziale dato dall'uso del solo metallo senza alcun elemento decorativo aggiuntivo. Stardust prevede una duplice illuminazione, fornita dai microled posizionati alle estremità superiori dei singoli bracci e dalla lampadina inserita nel cilindro in vetro che rappresenta la sorgente principale che illumina verso il basso. Sono previste due altezze standard per lo stelo di sospensione oppure "su misura".

*Inspired by the big classic chandeliers, but with a more essential look given by the use of metal without any additional decorative element. Stardust provides a double illumination, provided by the microled positioned at the upper ends of the individual arms and by the bulb inserted in the glass cylinder which represents the main source that illuminates downwards. Available in two standard or "custom" suspension heights.*
