Sator cambia vestito e presenta la "collezione #2". La semplicità del tessuto bianco, nelle trame del cotone, lino e dragnet, si abbina a passamanerie in velluto colore che riprendono che si ispirano alla tradizione del ricamo. Le sorgenti a Led realizzate su misura per Sator, molto performanti, dimmerabili e compatibili con i sistemi di domotica, ne fanno una lampada funzionale per illuminare decorando.

Sator changes clothes and presents the "Collection #2". The simplicity of the white colour is enriched by the combination of three different fabrics, hence the definition "white trilogy", enriched by trimmings in velvet. The LED sources tailored for Sator, with a very high performance, dimmable and compatible with home automation systems, make it a functional lamp to light up and decorate.
