SUSPENSIONS / SOSPENSIONI

Bogotà reinterprets suspended rings with contemporary elegance. This “flat” lamp becomes a closed ring with LED Panel technology that illuminates the edges, intersecting to the center. The light is shielded by textile diffusers, recalling Contardi’s distinctive use of fabrics. Light and fluid, Bogotà appears to be suspended in the air, combining modernity and vintage style.

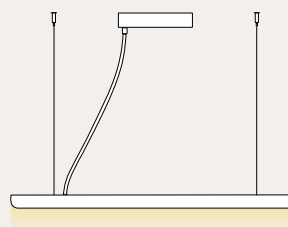

Bogotà reinterpreta gli anelli sospesi con eleganza contemporanea. Questa lampada “flat” diventa un anello chiuso con tecnologia del Panel LED che illumina i bordi, intersecandosi fino al centro. La luce è schermata da diffusori tessili, richiamando l’uso distintivo dei tessuti di Contardi. Leggera e fluida, Bogotà sembra sospesa in aria, combinando modernità e stile vintage.
